Examiner

REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The cited art of record fails to teach an organic electroluminescent device comprising first and second driving units, each unit has a switching TFT and a driving TFT wherein the first and the second driving units are connected in parallel or each of the driving units comprises first and second switching TFTS and first and second driving TFTS. The second driving unit is a backup circuit that can deliver a current signal from a power source to an organic diode when the first driving unit malfunctions as defined in claim 1, or the first driving unit comprised of first and second switching TFTS and first and second driving TFTS, and a second driving unit formed in the pixel and comprised of third and fourth switching TFTS and third and fourth driving TFTS, the second driving unit being a backup circuit that can deliver the current signal from the power line to the organic electroluminescent diode when the first driving unit malfunctions as defined in claim 12. Therefore, claims 1-26 are presently allowed.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
